**Subject:** Comments on RTC - Powertech's ESA comments

Hi Omar and Douglas,  
My comments on the draft responses to Powertech's ESA comments is attached. Let me know if you have any questions.  
Lucita, there is a note in the margin requesting your review on our authority.

Please merge this document with the other ESA comments/responses because there is overlap (ESA consultation process, enforcement authority, etc.) and it would be helpful to use the work we have already done.

Thanks, Kimi
